

CREARSE UNA CUENTA ORCID

El Código ORCID es un dato obligatorio para la publicación de trabajos de investigación en el Repositorio Institucional UNSA (basado en directrices del Concytec). En el caso de que un asesor no cuente con el código ORCID, deberá crearse uno siguiendo los siguientes 5 pasos:

Paso 1: ingresar a <https://orcid.org/> luego clic en (1) "SIGN IN/REGISTER"

Paso 2: Como no tiene una cuenta creada, clic en (2) "Register now"

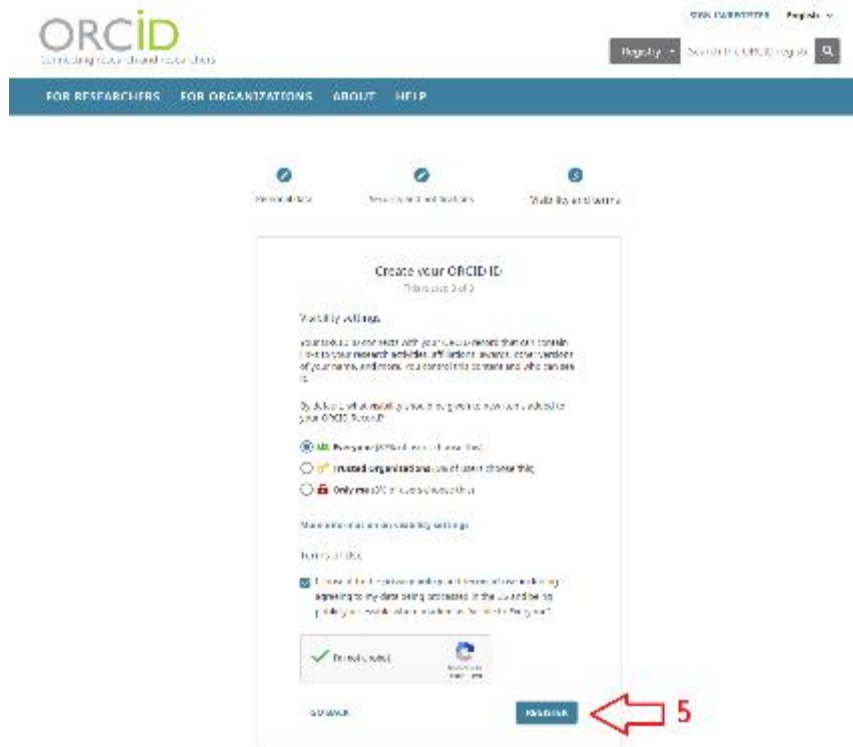

Paso 3: llenar los campos básicos (utilizar correo @unsa.edu.pe) y luego clic en (3)

The screenshot shows the ORCID registration interface. At the top, there is the ORCID logo and navigation links: 'FOR RESEARCHERS', 'FOR ORGANIZATIONS', 'ABOUT', and 'HELP'. Below this is a progress indicator with three steps: 1. Personal data, 2. Security and preferences, and 3. Verify and finish. The main content area is titled 'Create your ORCID ID - This is step 1 of 3'. It contains several input fields: 'Name' (with 'DANIELA' entered), 'Surname' (with 'SANCHEZ' entered), 'Institution' (with 'UNSA' entered), 'Email' (with 'DANIELA@UNSA.EDU.PE' entered), 'Phone' (with '011 4262021' entered), and 'Address' (with 'CALLE DE LA UNESA' entered). There are two red arrows pointing to the 'NEXT' button at the bottom right, with the number '3' next to them.

Paso 4: ingresar una contraseña. Luego clic en (4)

The screenshot shows the second step of the ORCID registration process. The progress indicator now shows step 1 as complete and step 2 as the current step. The main content area is titled 'Create your ORCID ID - This is step 2 of 3'. It features a 'Password' field with a masked input (dots) and a 'Confirm password' field also with a masked input. Below these fields is a 'Next/confirm settings' section. It contains a list of three checked items: 'I have read the ORCID Terms of Use', 'I agree to the ORCID Privacy Policy', and 'I have read the ORCID Data Protection Policy'. There is a 'NEXT' button at the bottom right, with a red arrow labeled '4' pointing to it.

Paso 5: Clic en una de las opciones de visibilidad de información (se recomienda Everyone (87% of users choose this)). Luego clic en (5)

Finalmente, verá su ORCID ID creado (cuadro rojo) el cual lo usará en la publicación de artículos y producción científica. Y, podrá compartirlo con sus asesores de tesis.
